Thickness (mm)
50

SONAA **Modular Ceiling**

Dimensions (mm)

620x620

1240x620

Edge
Straight

Thickness (mm)
20

Technical Note
Lay-in modular ceiling system.
Available in Graúna Black and Duna White.
Refer to the installation manual on our website.

Colors with a Brazilian Soul

Each color reflects the richness of Brazil, its landscapes, energy, and cultural heritage translated into design.

NATURAL
"The origin of everything."
A pure shade, without pigments, representing the authentic essence of our raw material. It conveys honesty, simplicity, and the beauty of nature itself.

BLACK
"The elegance of contrast."
An intense black that brings depth, sophistication, and timeless strength, inspired by the mystery and resilience of

WHITE
"The light of paradise."
Inspired by the dunes of Brazil's paradisiacal beaches, this white brings clarity, purity, and a sense of openness to any space.

YELLOW
"The warmth of the land."
A warm, earthy yellow that recalls the richness of Brazil's tropical fruits and flowering landscapes. It is cheerful, bright, and full of life.

RED
"The energy of tradition."
A vibrant red inspired by natural pigments long used in Brazil's ancestral cultures. It expresses vitality, strength, and passion.

GRAY
"The tone of resilience."
A refined gray inspired by the arid landscapes of the Brazilian backlands. It evokes endurance, balance, and beauty in simplicity.

ORANGE
"The glow of the sun."
Inspired by Brazil's sunsets, this orange radiates energy, optimism, and a natural vibrancy.

BLUE
"The sky and the waters."
A deep and calming blue that reflects Brazil's rivers, oceans, and endless skies. It brings serenity and balance to interiors.

GREEN
"The color of life."
Inspired by the vast forests and lush vegetation of Brazil, this green represents vitality, growth, and connection to nature.

BROWN
"The roots of the earth."
A welcoming brown inspired by Brazilian soil and roots, evoking stability, warmth, and a sense of belonging.
